PREVENTING IDENTITY THEFT:

Do not share personal information. Whether over the telephone, through the mail, or on the Internet, do not share your financial account information or Social Security numbers unless you know the person requesting the information is who he or she claims to be. Monitor your

credit report. Consumers are entitled to one free credit report from each credit reporting agency annually. Opt out of pre-approved credit cards, direct mail lists and telephone solicitation.

 Did you know that family members may open an account?

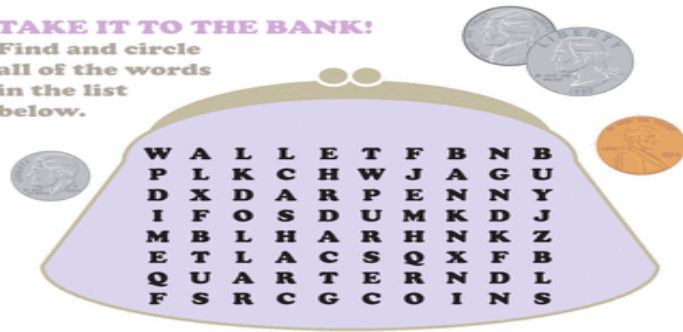

KID'S CORNER:

: PAYROLL DEDUCTION

It's one of the easiest and safest ways to conduct your Credit Union business. Use payroll deduction as a savings plan or to make loan payments. You choose the amount you want deducted from your paychecks and we will deposit it into the Credit Union account of your choice.
